

Donations “In Memory Of...”

As a special tribute, we have received several donations “In Memory Of” someone special who has passed away (pets and people alike). In lieu of flowers, many generous people chose to donate to a cause to commemorate their loved one who has passed. We are grateful to receive these honorable donations made on behalf of loved ones and dear friends who loved and cherished the animals in their community. We would like to show our respect for those who have passed and those who have donated in their memory.

In Loving Memory

Rest In Peace

WAYS YOU CAN HELP

We realize there are many wonderful organizations asking for financial support, but hope there is room in your heart for the dogs and cats AC ARF helps. These pets need us, and we need you. There are many ways to help.

Donate Funds Monetary donations are essential to AC ARF. Donations are tax deductible and every dollar helps make our work possible. Donations can be made on our website or Facebook pages, or a personal check payable to **AC ARF** can be mailed to **PO Box 181, Clinton, TN 37717**.

Donate food & supplies from our Wish Lists at Amazon.com and Chewy.com and have your donations delivered directly to us.

2025 has been our busiest year yet! We continue our For the Love of Pets Pantry and community cat spay/neuter programs with SARG, as well as providing vet care and pet assistance to low-income citizens in Anderson County. Our goal is to keep pets out of shelters and in their homes. We raised over \$33,000 through our Paws for a Cause Pet Expo 2025, but have already spent over \$25,000 in the first half of this year on pet support! This highlights the community’s growing need and underscores the urgency to raise additional funds to sustain our programs.

For the Love of Pets Pantry

This is AC ARF’s signature program that serves low income Anderson County senior citizens with pets. In partnership with SARG, we support over 300 dogs and cats belonging to low income senior citizens in Anderson County each month. Through this program, we have distributed over 8500 lbs. of pet food or the 1st half of 2025, excluding canned foods and treats also distributed each month. Our pet pantry program has become a staple of our

community as pets are family to their owners and, for so many, the only family they have.

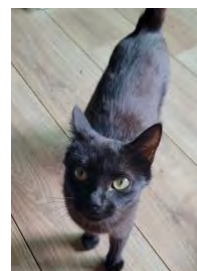

Adopt/Rehome/Rescue/Vet Care

For the first half of 2025, we sponsored required medical treatment for 52 dogs and cats in our community. These pets belong to low income citizens in Anderson County who needed a little help in making sure their pets received the care they needed! We also found new homes for 6 dogs and 48 cats so that they did not have to be surrendered to the shelter.

Trap/Neuter/Return

In the first half of 2025, through our Community Cat Initiative in partnership with SARG, we successfully spayed, neutered, and vaccinated 124 cats and kittens; additionally, we rescued and rehomed 35 of them! We also proudly launched a new partnership with Cleo’s Cat Café in Oak Ridge, where adoptable cats can now meet potential families in a relaxed, welcoming environment; and we remain deeply appreciative of our collaborators—SARG, HSTV, and Cleo’s—for their ongoing support, which makes our mission to help community cats not only possible but increasingly impactful.

COMMUNITY NEEDS - MEDICAL TREATMENTS

Several of our low income citizens needed a little help to make sure their pets stayed healthy and at home!

Sophie belongs to a low income citizen in Anderson County. She is 9 years old and is the apple of her mother's eye! Sophie was having some skin issues

which were progressively getting worse, as well as an infection under her eye. She was taken to Clinton Animal Hospital where she was treated for flea infestation and given antibiotics for her infections. She is now back home where she belongs and being spoiled by her mom, just as it should be! ❤️

Cody and Rody are two adorable brothers who had a very difficult start in life. Their mom was homeless and was living out of her car. To give them a better life, she

agreed to surrender them both to AC ARF where we found a foster who could care for them until they were old enough to be adopted. These little guys were so much fun and, after all required vetting including neuter and vaccinations, they were our first kitten due at Cleo's Cat Café! They were adopted together and will get to be together forever! The dynamic duo lives on! ❤️

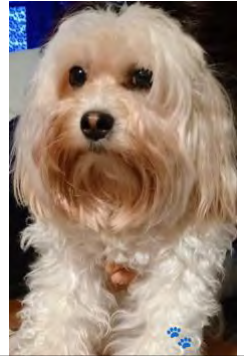

AC ARF was contacted by Oak Ridge Animal Shelter concerning a dog they picked up who had been hit by a car and needed emergency surgery to repair her hip. Upon

investigation by ORAS, **Daisy's** owner was located, but was low income and was going to have to surrender her to the shelter as she could not afford to pay for the surgery. As imagined, Daisy's owner was devastated. AC ARF partnered with SARG to split the cost for Daisy's surgery so that she would not have to be surrendered. The surgery was successful and Daisy is now happy, healthy and at home where she belongs! ❤️

Mango was pregnant and alone when she was dumped on a property in Anderson County. A very caring man took her into his home so that she could have a safe place for her and her kittens. However, he did not have the means to provide necessary vet care for Mango and her kittens until they were old enough to be adopted. AC ARF agreed to pay for all vet care, including spay/neuter and vaccinations, to prepare for adoption! All of the kittens have been adopted and Mango was one of our first cats at Cleo's Cat Café! She has also now been adopted and all are living their best lives! ❤️

Kaymen is a handsome boy who lives with his low income mom in Anderson County. His mom noticed a mass on his back leg which continued to grow. She was very concerned as she could not afford a vet visit, much less surgery required to remove the mass. We worked with the wonderful staff at Clinton Animal Hospital to remove and evaluate the mass. Thankfully, it was not cancerous and Kaymen is back at home with his mom where he is happy and healthy once again! ❤️

So far this year, we've provided Vet Care, including spay/neuter, for 64 dogs and 141 cats/kittens and helped to rehome 6 dogs and 48 cats/kittens! It's been a very busy year and it's only half over! Please help us continue to help pets in need in our community!!

Thank You Sponsors!

We had a great time at our PFAC Pet Expo 2025 at Carden Farm Park and raised over \$33,000 to help AC ARF continue our mission to help animals in our community! Thank you to the City of Clinton and to all of our wonderful sponsors!
